2. Revise all the work done till now. Practice questions given in the worksheet to be done in A4 sheets.

3. In case of any query contact your subject teacher.

4. Make a cover page which should be designed using geometrical shapes

1. Practice Questions based on Knowing our Numbers and Playing with Numbers: (Do these questions in homework copy)

1. Write first three common multiples of 6 and 9

2. Write all the factors of 84.

3. Write the number name according to Indian System and International System of 556201108.

4. Circle the number that are divisible by both 4 and 8. (show working)

(a) 29344 (b) 80992 (c) 1005464 (d) 3098250

5. Find the HCF of 12 and 45.

6. Find the LCM of 21 and 56.

7. Find the difference between the greatest and the least 4- digit number that can be written using the digits 5,1,8,3 each only once.

8. Write the multiples of 8 up to 100.

9. Find the divisibility by 6 of the following:

(a) 230918

(b) 385032

10. Express the following as the sum of two odd primes:

(a) 54

(b) 72

2. Solve the additions Solve the below questions using the clues given

CLUES:

$$\triangle + \triangle = 6$$

$$\circ + \square = 8$$

$$\triangle + \circ = 4$$

$$\square + \diamond = 10$$

$$\triangle + \square + \diamond = ?$$

$$\circ + \square + \triangle = ?$$

$$\square + \square + \diamond = ?$$

$$\triangle + \square + \diamond + \circ = ?$$

Mom Junction

3. Numbers in a triangle

Put the numbers from 1 to 9 in the blank spaces such that the sum of the numbers on each side of the triangle is the same.

Mom Junction

4. Fill in the boxes:

 **Divisibility Puzzle**

Name _____ Date _____

Use each number 0-9 only once to complete the puzzle.

Divisible by 3 and 9

<input type="text"/>	0	<input type="text"/>
----------------------	----------	----------------------

Divisible by 4 and 6

6	<input type="text"/>	<input type="text"/>
----------	----------------------	----------------------

Divisible by 2 and 5

<input type="text"/>	7	<input type="text"/>
----------------------	----------	----------------------

Divisible by 4 and 9

9	<input type="text"/>	6
----------	----------------------	----------

Divisible by 3 and 5

9	1	<input type="text"/>
----------	----------	----------------------

Divisible by 2 and 9

5	<input type="text"/>	4
----------	----------------------	----------

Divisible by 6 and 5

3	<input type="text"/>	0
----------	----------------------	----------

**HOLIDAY ASSIGNMENT
CLASS – VI
SCIENCE**

Students learn by doing hands-On activities and projects such activities encourages them to make discoveries on their own. They are more likely to remember a learning experience when its real and Hands-On. This will not only enhance their critical thinking but also help them to find solution to different problems.

Have fun with Pressure

STEAM is an approach to learning and development that integrates the areas of science, technology, engineering, arts and mathematics. Through STEAM, students develop key skills including: problem solving, creativity, critical analysis

Class 6th students can choose **ANY ONE activity** from the two activities given below and do them .

ACTIVITY 1-Model Making

You may choose to make a model on ANY ONE of these :(It should be working)

Put on your thinking hats and have fun with Pressure!!

1. Hydraulic Lift/ Crane
2. Use magnets and Pressure together. BUILD AN INNOVATIVE toy.
3. Working model of dialysis
4. Working model of human heart
5. A water rocket

If you like to tinker with electricity and light we want you to design

1. Hologram
2. Electric Motor
3. Electric Generator
4. Solar Car
5. Solar Cooker

ACTIVITY 2-Board games

Make a board game of size 20 inches by 15 inches. Choose any topic based on science either from book or outside your curriculum .The board game you are designing must be neat, colorful and presentable .The selected one will become part of school exhibition .

Subject enrichment activity compulsory for all (mandatory)

Spend 20 minutes in beautiful Nilgiris with this youtube video and prepare a leaflet / Brochure for a tourist persuading them to visit Nilgiris.

<https://youtu.be/XNhDo1Mb4zE>

Boucher must contain picture of flora and fauna .

It must also include following points –

- ❖ What are the things that you liked about Nilgiris?
- ❖ How is the place different from Rajasthan in terms of vegetation and organisms?
- ❖ How Niligiris play an important role in sustaining healthy environment?
- ❖ What will be consequences of increased deforestation in this area?
- ❖ Appreciate the natural resources found in Nilgiris?
- ❖ Why visiting such places can be a learning experience?

HOLIDAY ASSIGNMENT
